Saint Francis Xavier School

This Covenant agreement represents our commitment to collaborate with the work of the Catholic school in the spiritual formation of our children. As the first teachers of our children in faith, we hereby accept responsibility to support Church teaching in the school, participate in church services every week, and see that our children attend church every week.

For Catholics this Covenant is an agreement to participate in the Holy Sacrifice of the Mass, on all Sundays (Weekends) and Holy Days.

For non-Catholics this Covenant is an agreement to attend weekly church services in your denomination.

We acknowledge that the teachers are also pledged to this Catholic/Christian commitment. Because the partnership of parents and teachers in the formation of children is so important, we accept the family covenant for church attendance as a way of honoring the third commandment, as an extension of our baptismal vows and as essential for the spiritual formation of our children.
